

Botanical Colloquium

organised by the Fondation Jardin Majorelle

Water and Gardens: Towards an Aesthetic Restraint

SUNDAY 26 FEBRUARY 2017

Morning agenda:

GUIDED VISIT

**of the Azaren dry climate garden
and the Cactus Thiemann nursery**

limited to 80 participants, by reservation only

Reservation by email:

evenements@jardinmajorelle.com

Afternoon agenda from 3pm to 7pm:

CONFERENCES

Open admission

Amphitheatre 10 of the Semlalia Faculty of Sciences

Boulevard Prince Moulay Abdellah, Marrakech

As water becomes increasingly scarce, new cultural approaches and the use of plants better adapted to their environment are contributing to the development of innovative and durable gardens.

We encourage those interested in attending the morning session – which is limited to 80 participants – to reserve in advance of the colloquium weekend. A reservation is not required to attend the afternoon conferences.

For further information or to reserve for the morning session, please contact us at the following email address:

evenements@jardinmajorelle.com
